Mr. Lyman B. Kirkpartick, Jr.

[Redacted]

Dear Kirk:

I have your note of October 15, and thanks for same. I note your suggestion about trying to furnish you copies of "what the solons are saying", but we do not often get copies of such things. I will alert Angus Thuermer to be on the alert and insure that you receive them.

In the meantime, there are enclosed copies of a speech given by Dick Walters in Dallas, and Bill Colby's manuscript used before the New York Council, Navy League of the United States on October 20, 1975.

Angus Thuermer has received a feedback from [Redacted] and Harry says that [Redacted] was rather a tame lion cub; an interesting observation.

As always, your Washington correspondent will remain alert.

Sincerely,

*John F. Blake*  
John F. Blake
